1. The undersign(s) certify that the cattle represented herein were born and have remained in the United States of America, under their care and control since birth or purchase. The undersigns acknowledge that if at any time livestock leave the U.S. (except while in transit between the states of Alaska and Hawaii) certification of US origin becomes null and void.

2. The undersign(s) certify that all cattle listed on this form are of US origin and source-verified. I/we am committed to producing beef cattle that are safe and wholesome. I/we certify that these cattle were managed according to Beef Quality Assurance guidelines while they were under my/our care. I/we understand and agree that all records for these cattle will be maintained for 3 years, and the the records may be audited. Records maintained at the Montana Branded Beef Association office will also be made available for inspection by an authorized auditor and/or appropriate USDA personnel. These cattle have met all requirements and will qualify for the Montana Branded Beef Association's program. I/we certify that these animals have not been fed ruminant animal by-products or prohibited mammalian tissues while under my care.
